Hello Michael and Christy,

Because so many Downtowners help to shape the heart of Los Angeles, once a year Downtown News pauses to allow acknowledgement of the important entities that play a role in this great city.

Downtown News' annual magazine, ICONS of Downtown, is your opportunity to tell that story. Of the 25,000 businesses in Downtown, fewer than 900 are invited to participate in this annual magazine.

We hope you will join our impressive list of long-time participants, all of whom are invited because they have supported or participated in Downtown's continued renaissance or to its iconic past.

This is your chance to tell the story of your company, your own way, a rare opportunity in the world of media

ICONS publishes on 11/13/17. Please contact me as soon as possible to be included.
